

Like our programs?

Invite us to your organization to facilitate one of our programs!

Our team of artist facilitators will work with you to customize an experience for your group. Whether it is 5 children in a park or 35 children on Zoom, we will create a safe, memorable and interactive experience for them. Contact us today for your **free** consultation.

Are you a non-profit offering programs to children? We would like to hear from you! We are exploring partnership opportunities.
